LAWTEL

THOMSON REUTERS™

HELPING YOU FOCUS ON WHAT'S REALLY IMPORTANT

APPLYING YOUR EXPERTISE, NOT DRAFTING AND ASSEMBLING DOCUMENTS...

withers ^{LLP}

Sweet & Maxwell Precedents offer you a quicker way of drafting and assembling documents, which means you can spend more time on your clients, and less on your paperwork. Our trust precedents, from the Withers LLP collection, are supported by an in-house team of qualified practitioners.

COMPREHENSIVE CONTENT

Documents from Sweet & Maxwell's *Practical Trust Precedents* looseleaf title, give you the excellence and authority of the Withers documents with the currency and simplicity of Lawtel.

Helpful drafting guides accompany a number of the precedents, giving you expert commentary and guidance on how to use the precedents and individual clauses.

The service contains all the materials you need to create trusts with scope for flexibility. It includes complete trust documents (including documents for specialised situations), dozens of alternative and additional clauses and expert commentary on the drafting and use of the precedents. The service will also alert you to tax implications enabling the selection of clauses most likely to achieve optimum tax efficiency.

Lawtel Precedents Trusts features a checklist for the adviser when taking instructions for a new trust, itemising issues that need to be raised with the settlor and includes various options which may need to be discussed in more specialised situations, for example a trust under Jersey law.

Comprising over 230 documents including associated precedents and drafting guides the Lawtel Precedents Trusts solution provides coverage on:

- Interest in possession settlements and Bare Trusts
- Non-interest in possession settlements
- Trusts for children
- Insurance trusts
- Subsidiary documents
- Charities and other public settlements
- Administrative powers
- Settlements established under foreign law/foreign law issues

DECEPTIVELY SIMPLE

SUPERIOR AUTHORSHIP

All documentation in this service including precedents, drafting notes and commentary has been provided by Withers LLP.

Established in 1896, Withers LLP is the first international law firm dedicated to the business, personal and philanthropic interests of successful people, their families and advisers.

In the private client field, Withers has over 120 tax and trust specialists in the UK and US, one of the largest and most comprehensive private client practices in the world. Many of the specialists are regular speakers at industry and legal conferences. A variety of professionals use textbooks written and edited by the firm's lawyers.

The Withers private client expertise is complemented by a market leading family law team and a specialist practice in trust & probate litigation. Withers LLP also has a broad property practice with a renowned agricultural team and growing practices in corporate and charities.

LAWTEL'S FUNCTIONALITY

Lawtel Precedents also includes the following unique features:

Free-to-use House Style Tool

The House Style tool allows you to customise documents to your firm's own house style. It's easy to set up yourself and applies to all downloaded precedents. Up to five templates can be stored per organisation.

Simple Search and Browse

Perform both free text and specific searches across precedents and clauses. You can also browse by title and subject category, and search for precedents and clauses by keyword.

Supporting Information

General commentary for each subject category is available to ensure you have all the background information required. The supporting information can be selected from the left-hand side navigation panel or from the Browse by Category page.

My Favourite Precedents

Save links to the precedents that you use the most. Sign up and be alerted by email when your favourite precedents have been updated.

Select/De-select Clauses

You can choose to de-select optional clauses before downloading the precedents, and all clauses will be automatically renumbered in order. If you de-select clauses prior to download, any cross-references can be easily updated in Word.

Individual clauses can be downloaded separately, or alternatively you can download the full document and edit in Word. All clauses will again renumber and cross-referencing can be updated quickly and simply in Word.

Email/Download/Print

Email, download and print individual precedents and drafting guides.

Email Alerts

Be updated by email on new and amended precedents.
